# WRP mroihumachlar

## Wagenreihungsplan

Avoid the Wagenreihungsplan!

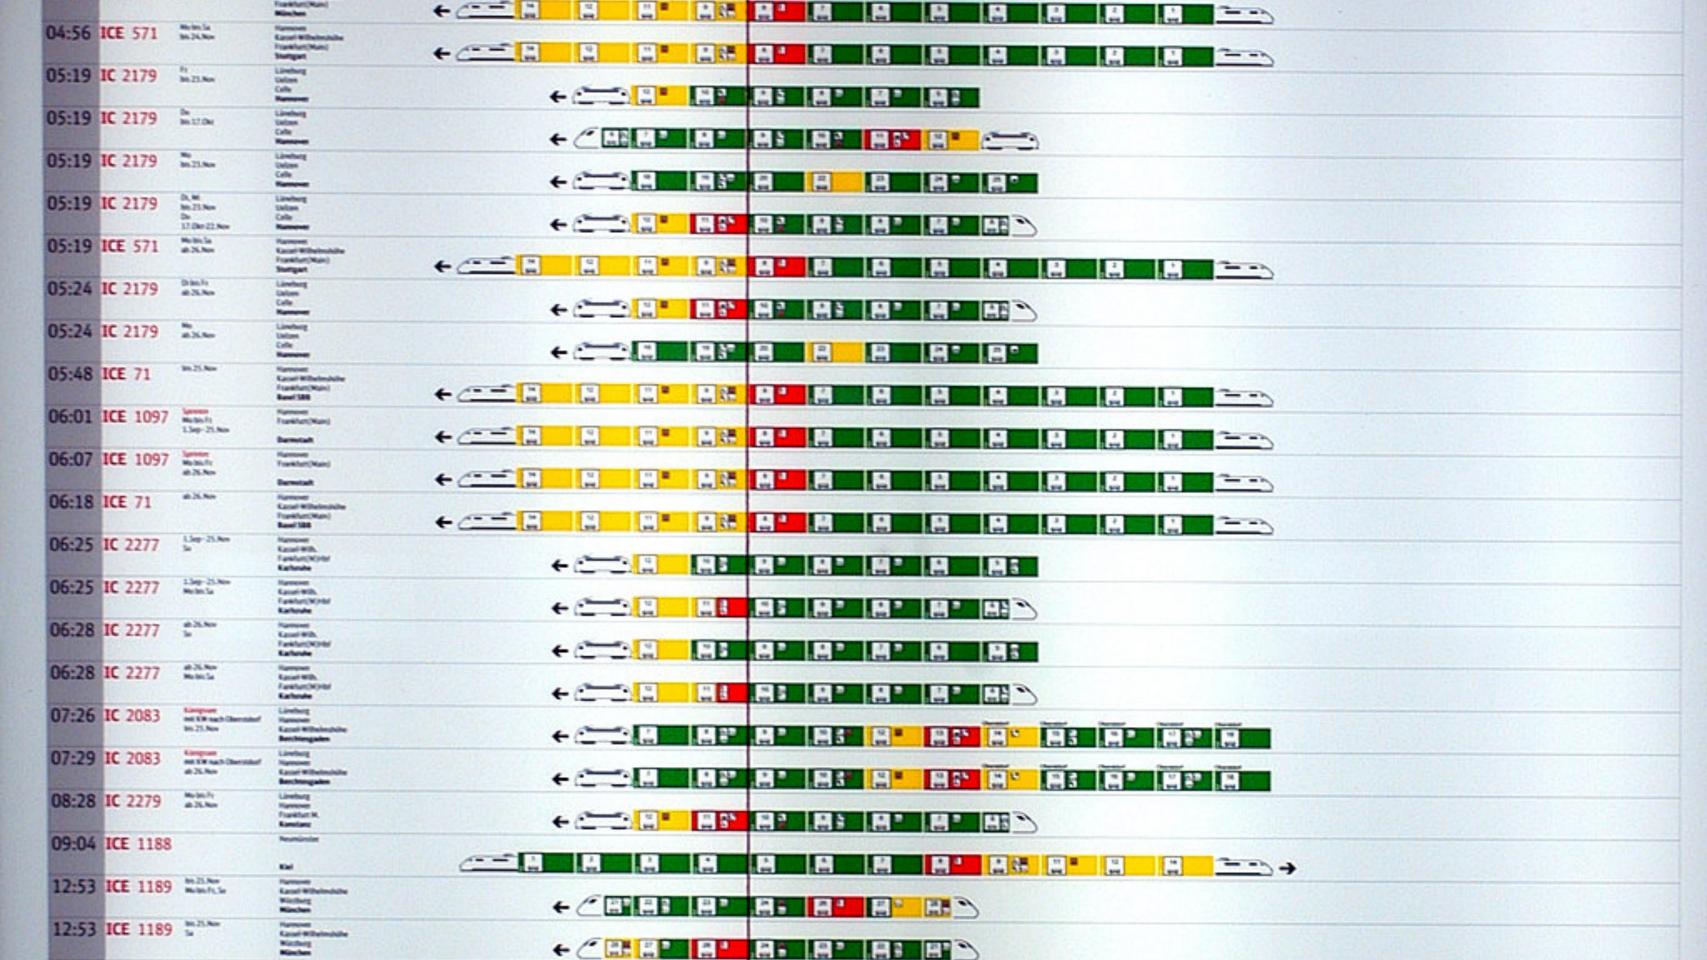

### Problem

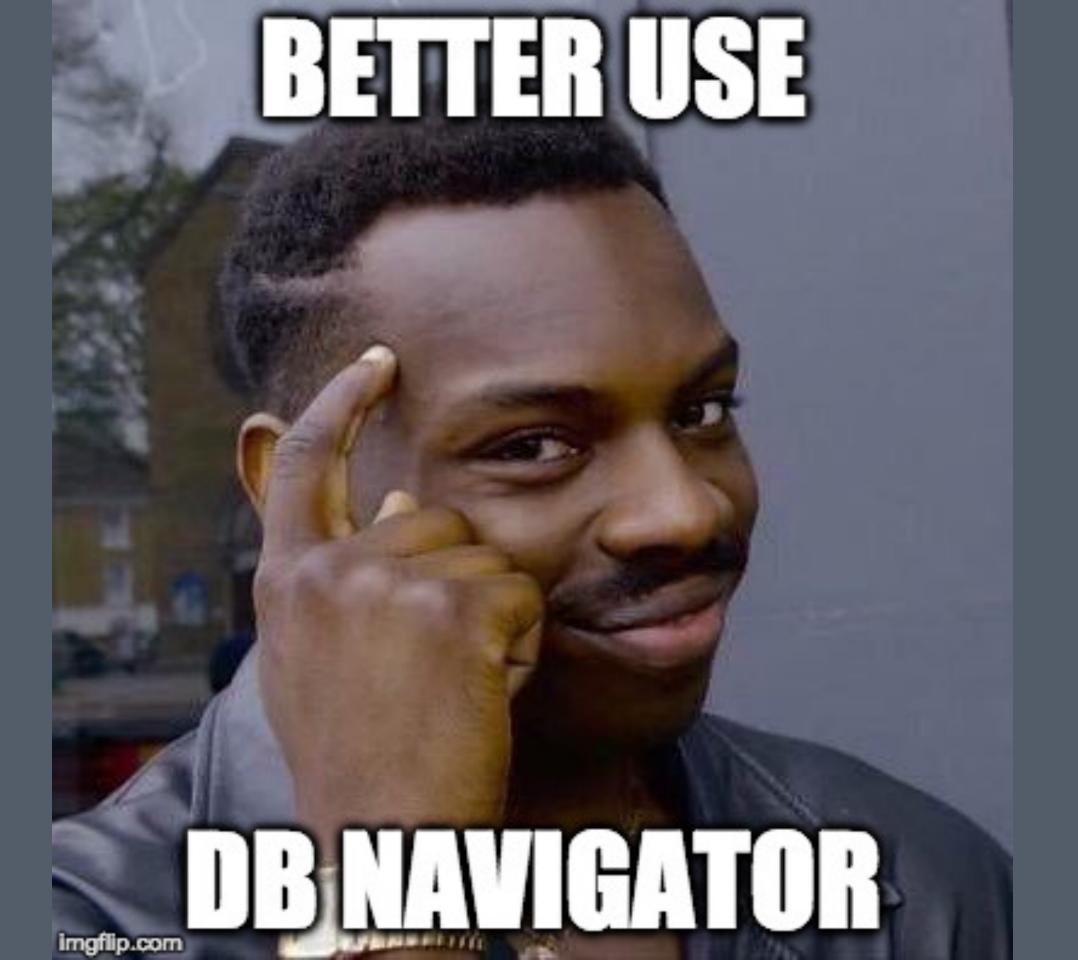

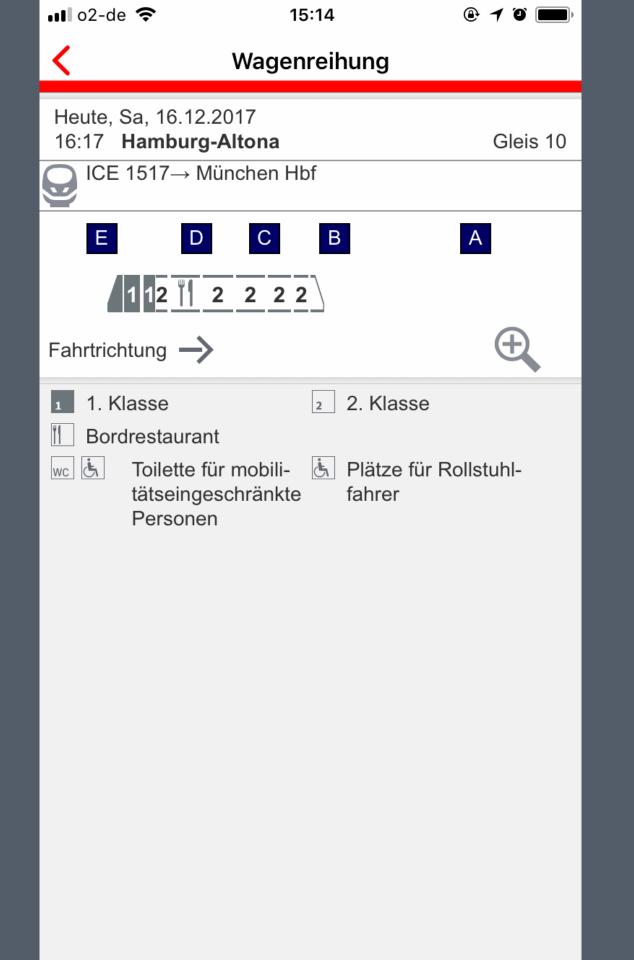

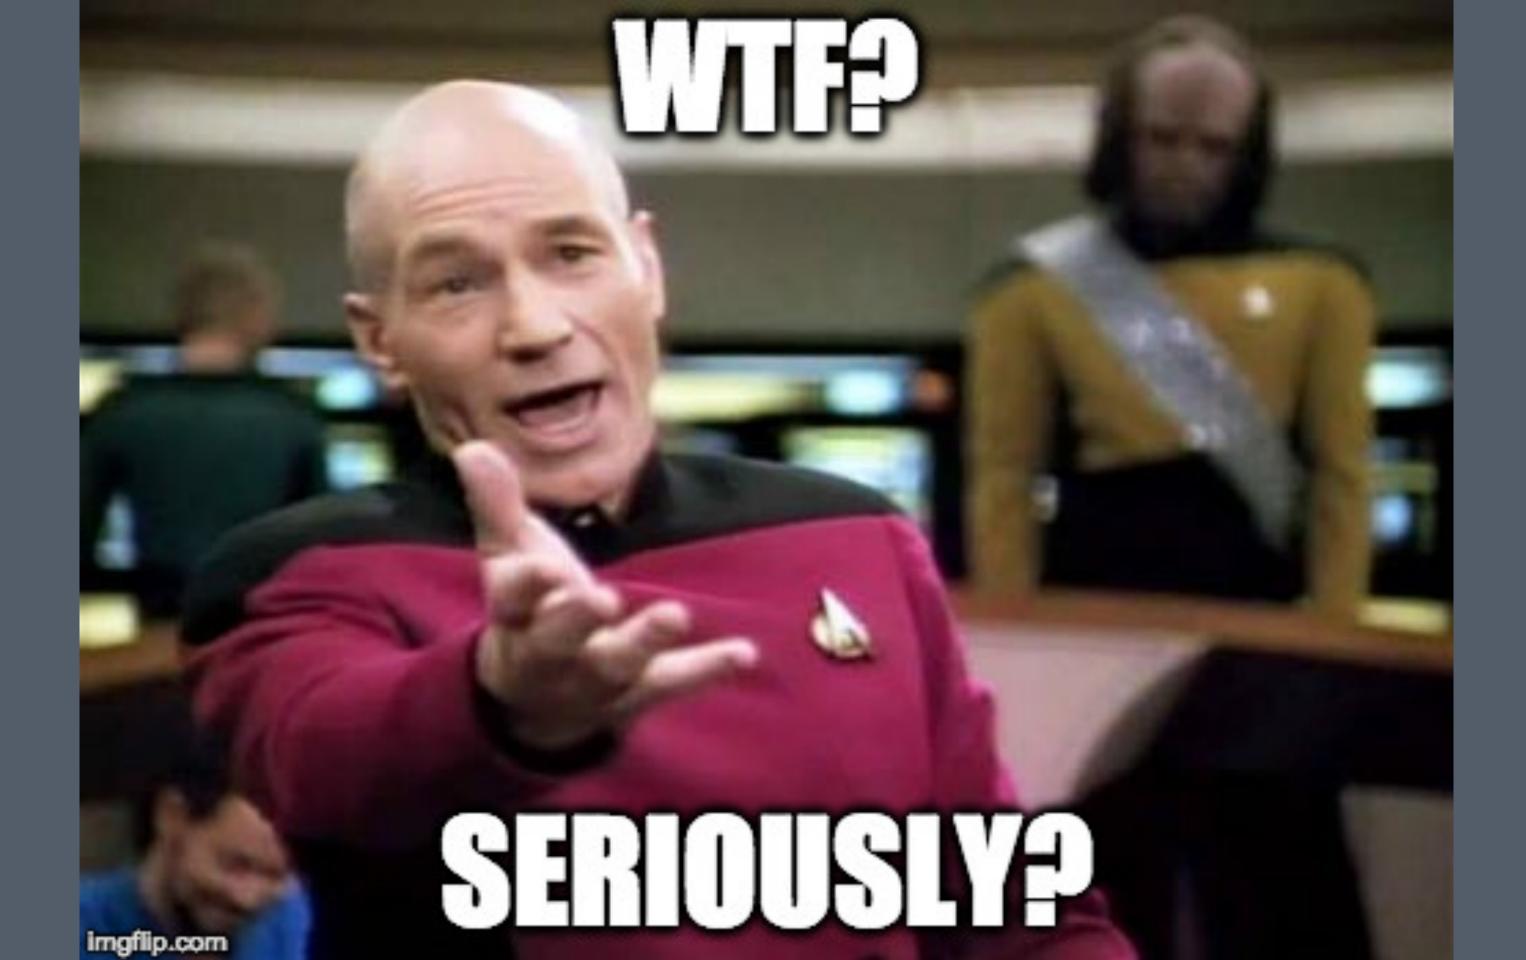

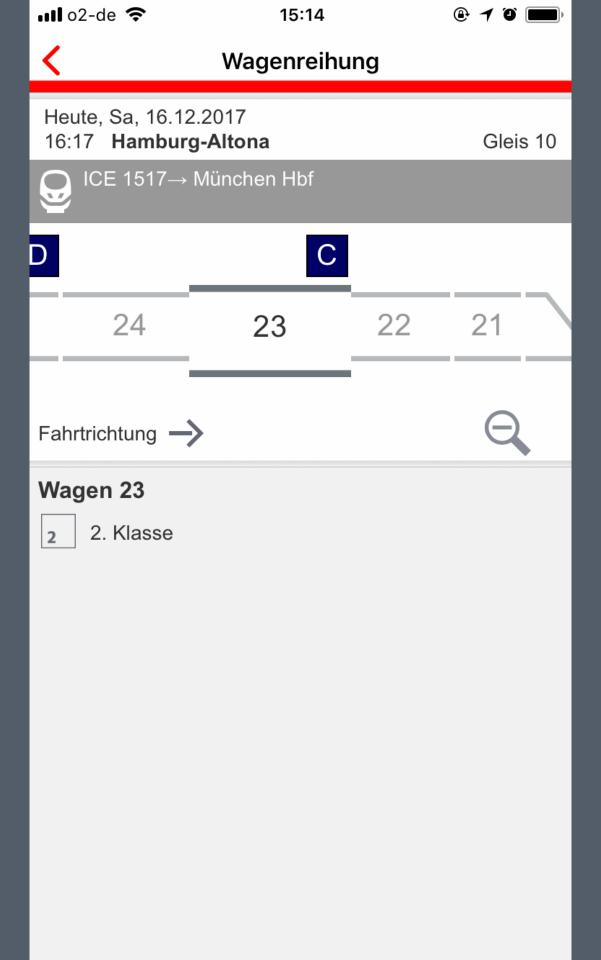

## Better Approach

#### We made some slides!

#### Just kidding

We built an app for iPhone.

It changes everything.

It even has an icon.

### Demo

#### **Main Features**

- → does its job
- → uses coach sequence-data
  - → pretty simple
  - → works offline
  - → escalator-use-approved

## Sänk iu for lisning
